A Thoughtfully **Curated**
Senior Living Experience

www.soukhyaliving.com

Our amenities and features

Comfortable Living Spaces

Well-designed, senior-friendly rooms that prioritize comfort, accessibility, and safety. Each living space is thoughtfully planned to feel warm, homely, and peaceful.

Wellness and Fitness Programs

Gentle fitness routines, physiotherapy support, and wellness activities designed to maintain mobility, strength, and overall physical well-being.

Nutrition and Dining

Nutritious, freshly prepared meals tailored to individual dietary needs and medical requirements. Our dining experience focuses on balanced nutrition, taste, and enjoyment.

Social Activities

A vibrant calendar of social interactions, group activities, and celebrations that encourage companionship, connection and joy

24/7 Professional Care

Safety & Security Measures

Our care offers

Assisted Living Home

A thoughtfully designed residential care setting that supports seniors with daily living needs in a safe, senior-first environment. Residents enjoy comfort, companionship, and personalized assistance.

Senior Day Care

A professionally managed, secure, and engaging day-care environment where seniors can spend their time socializing, participating in activities, and enjoying meaningful companionship.

Respite Care

Short-term, attentive care services that allow family and caregivers to take a well-deserved break, knowing their loved ones are receiving professional, loving care in a safe and nurturing environment.

Pure. Calm. Connected

A serene, pollution-free, stress-free environment with clean air and water, surrounded by hills and a flowing river, and well connected by road.

Our care philosophy:

Nurturing life's golden years with grace & respect

- 1. Holistic Wellbeing:** Well-rounded lifestyle physical care with emotional, social, and intellectual engagement.
- 2. Custom Schedules:** Personalized and engaging schedules to make each day vibrant and exciting.
- 3. Private Rooms:** Elegant & comfortable options available.
- 4. Engagement Plan:** Organized social, intellectual, and recreational programs
- 5. Guest Rooms:** Two double-occupancy guest rooms for visiting children, with each senior living room designed for good daylight and a connection to the five natural elements

Because your loved ones deserve not just care, but companionship and dignity:

- **Comfortable** Living Spaces
- Spacious, senior-friendly rooms
- **Safety-first** design (grab rails, anti-slip flooring)
- Warm, homely **environment**
- **Customised** bathroom designs
- meeting the requirements of individuals
- **Customized** diet plans
- 24×7 **Physiotherapy** support
- **Yoga/ meditation** classes
